AUDIT COMMITTEE

The details pertaining to the composition of audit committee are included in the Corporate Governance Report, which forms part of this report.

SUBSIDIARY

(I) CRAVATEX BRANDS LTD (CBL)

The financial year 2017-18 witnessed a trailing impact of demonetisation. Initial glitches of GST implementation also played its part in slowing down the purchases by customers. Although these government initiatives were expected to benefit all in the medium to long term, the organised sector had to struggle to recover from the setback in the short term. The branded goods sector was among the worst hit due to deferred purchases by end customers and the wholesalers. CBL registered a turnover of Rs.11338 lacs and recorded a loss of Rs.1394 lacs before finance cost, depreciation and taxation with total comprehensive loss after tax at Rs.2100 lacs. Negative profitability was mainly on account of lower sales.

Sales were subdued in the early part of the financial year on account of the slow down due to demonetisation and the uncertainty on GST implementation. The worst affected were the sector of multi brand dealers. The market began settling down in the second half of the year, although margins remained under pressure. The company has taken corrective steps to increase its presence in large format organised retail, as well as rationalising its product mix and improve operational efficiency. The impact of these steps will be seen in the coming years.

Wellness sales grew at a slower pace than expected due to a slow down in the real estate sector. The whole market was impacted due to the revised GST rate of 28% which was prescribed for this sector. The rate was subsequently reduced to 18%. The sector also felt the impact of demonetisation and RERA. Against this backdrop, the division still performed profitably.

After a short disruption due to demonetisation and GST glitches, the domestic consumer goods industry is showing signs of recovery. With induction of new personnel at the top and middle level operating team, marketing initiatives, improved operations and innovative products, CBL is expected to perform better in the ensuing year.

(II) BB (UK) Limited (BBUK)

BBUK has completed its seventh year of operations. Apart from operating FILA license in UK, Ireland, Middle East and Africa, it provides sourcing services to overseas FILA licensees. During the FY 2017-18 the company's performance had been extremely good. In INR terms the turnover grew from INR 108,26 lacs to INR 242,06 lacs recording an increase of over 123% and profit before tax from INR 201 lacs to INR 1001 lacs over previous year. Major sales revenue came from expansion in sourcing services to FILA licensees. The company has been successful in garnering the business on account of its efficiency and quality of services.

The overall improved outlook in both the subsidiaries augurs well for the company.

The salient features of the financial statement of the subsidiary is set out in the prescribed Form AOC-1, which forms part of the annual report.

The annual accounts of the subsidiaries will also be kept open for inspection for the Members at the Registered Office of the Company during the Company's business hours on any working day upto and including the date of the Annual General Meeting.

REPORT OF THE BOARD OF DIRECTORS**DIRECTORS' RESPONSIBILITY STATEMENT**

As required under Section 134(5) of the Companies Act, 2013, the Directors state that:

- (a) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****(a) Industry Structure and Development**

Cravatex Limited is the Holding Company of two subsidiaries viz. BB (UK) London (BBUK) and Cravatex Brands Ltd Mumbai (CBL). As you are aware that, with a view to realizing value from your Company's strength in building consumer brands, the Sports Goods and Fitness Equipment businesses were transferred in FY 2016-17 via slump sale to CBL. The company was successful in attracting a Private Investment in the subsidiary for taking the overall business to higher levels. Having provided substantial support of financial and management skill, the subsidiary is expected to register a sustainable growth in the years to come.

The company's source of revenue in the year FY 2017-18 was from sports business and other income.

(b) Opportunity and Threats

The company would explore any new opportunity in the line of business where it has expertise.

(c) Segment wise performance and outlook

The financial performance is covered in detail in the Annual report. The outlook for FY 2018-19 is expected to be same as last year without drastic change.

(d) Risks and concerns

The Company follows a robust risk management process for identification, and mitigation of various risks like operational, financial, legal and reputation/business risks. The top management aided by the Internal Auditor reviews the effectiveness of the process at regular intervals.

(e) Internal control systems and their adequacy

The management believes that appropriate procedures, controls and monitoring procedures are in place. The Internal Audit of your Company, carried out by external firm of Chartered Accountants, evaluates the functioning and quality of internal controls. The present control system is considered as adequate to take care of the current business of the company with safety and security.

(f) Discussion on financial performance with respect to operational performance

As stated above the company's substantial revenue comes from lease rental out of its commercial premises. Revenue from sports goods has been lower as the business was transferred to Cravatex Brands Limited, a subsidiary under slump sale. Major expenses are on account of the regulatory/compliance related administrative cost. Detailed financials of the company are reported in the Annual report.

(g) Material developments in Human Resources/Industrial Relations front, including number of people employed

The company has 6 employees on its rolls as at 31st March 2018. The overall industrial relations had been satisfactory.

REPORT ON CORPORATE GOVERNANCE

Performance Evaluation:

One of the important functions of the Board is to monitor and review the Board evaluation framework. Pursuant to the provisions of the Companies Act, 2013 and Regulation 4(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, the Board is required to carry out the evaluation of its annual performance, the Directors individually as well as the evaluation of the working of its Audit, Nomination and Remuneration and CSR Committees and other committees. The Board has adopted a formal mechanism for evaluating its performance as well as that of its Committees and individual Directors, including Chairman of the Board. Accordingly the exercise was carried out through a structured evaluation process covering various aspects of the Boards functioning such as composition of the Board & committees, experience & competencies, performance of specific duties & obligations, governance issues etc.

The performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors. A separate exercise was carried out to evaluate the performance of individual Directors including the Board Chairman who were evaluated on parameters such as attendance, contribution at the meetings and otherwise, independent judgment, safeguarding of minority shareholders interest etc. The Directors were satisfied with the evaluation results, which reflected the overall engagement of the Board and its Committees with the Company.

The Board also carried out the performance evaluation of the Independent Directors. The Directors expressed their satisfaction with the evaluation process.

Independent Directors' Meeting:

Schedule IV of the Companies Act, 2013 and the Rules thereunder mandate that the independent directors of the company hold at least one meeting in a year, without the attendance of non-independent directors and members of the Management. The independent directors met on February 12, 2018 without the presence of Managing Director, Non-Independent Directors and Management Team. The meeting was attended by all Independent Directors except Mr. N. Santhanam and was convened to enable independent directors to discuss matters pertaining to the Company's affairs and put forth their combined views to the Board of Directors of the Company. At the meeting, they

- (i) reviewed the performance of non-independent directors and the Board as a whole;
- (ii) reviewed the performance of the Chairperson of the Company, taking into account the views of other directors;
- (iii) assessed the quality, quantity and timeliness of flow of information between the Company Management and the Board and its committees that is necessary for the Board to effectively and reasonably perform their duties.

The independent directors present in the meeting held an unanimous opinion that the Non-Independent Directors, including the Managing Director bring to the Board, abundant knowledge in their respective field and are experts in their areas. Besides, they are insightful, convincing, astute, with a keen sense of observation, mature and have a deep knowledge of the Company. The Board as a whole is an integrated, balanced and cohesive unit where diverse views are expressed and dialogued when required, with each Director bringing professional domain knowledge to the table. All Directors are participative, interactive and communicative. The Chairperson has abundant knowledge, experience, skills and understanding of the Board's functioning, possesses a mind for detail, is meticulous to the core and conducts the Meetings with poise and maturity.

The information flow between the Company's Management and the Board is complete, timely with good quality and sufficient quantity.

COMPLIANCE CERTIFICATE ON CORPORATE GOVERNANCE

To,

The Members of Cravatex Limited

We have examined the compliance of conditions of Corporate Governance by **Cravatex Limited**, for the year ended on 31st March 2018, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance as stipulated in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 mentioned above. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Regulations 17 to 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

AUDITORS' REPORT

AUDITORS' REPORT

To the Members of Cravatex Limited

Report on the Standalone Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **Cravatex Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2018 and its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Other Matter

Corresponding figures of 01st April, 2016 and for the period ended 31st March, 2017 have been audited by another auditor who expressed an unmodified opinion in his report dated 29th May, 2017 on the Standalone Financial Statements of the Company. Management has adjusted these results for the differences in the accounting principles adopted by the Company on transition to Ind AS and presented a reconciliation of profit under Ind AS of the corresponding year ended 31st March 2017 with the profit reported under previous GAAP, which have been approved by the Company's Board of Directors and have been audited by us.

Our opinion on these standalone Financial Statements is not modified in respect of the above matter.

AUDITORS' REPORT

AUDITORS' REPORT

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Cravatex Limited of even date)

- (i) In respect of Company's Fixed Assets:
 - (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - (b) According to the information and explanations given to us, the assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) According to the information and explanations given to us, the title deeds of immovable properties are held in the name of the company.
- (ii) As explained to us, the inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable and the discrepancies noticed on verification between the physical stock and the inventory records have been appropriately accounted for in the books of account of the company.
- (iii) The Company has not granted any loans secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) The Company has not accepted any deposits from the public and therefore the provisions of the Clause 3(v) of the Order are not applicable to the Company.
- (vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) the Company has generally been regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, Goods and Service Tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were in arrears as on 31st March, 2018 for a period of more than six months from the date they became payable.
 - (b) According to the records of the Company, there are no dues of income-tax or sales tax or service tax or duty of customs or duty of excise or value added tax or cess which have not been deposited on account of any dispute.
- (viii) As per information and explanations given by the management, the Company has not defaulted in repayment of loans or borrowing from banks.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments). The term loans taken during the year were applied for the purpose for which they were raised.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the records maintained by the Company and as per information and explanations given to us the managerial remuneration has been paid in accordance with the requisite approvals as required under section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, reporting under Clause 3(xii) of the Order is not applicable to the Company.

AUDITORS' REPORT

- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- (xv) As per information and explanations given to us the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) As explained to us, the Company is not required to be registered under section 45-1A of the Reserve Bank of India Act, 1934 as this is not applicable to the Company.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Cravatex Limited** (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the Standalone Ind AS financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

AUDITORS' REPORT

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENT

NOTE 1 — CORPORATE INFORMATION

Cravatex Limited (“the Company”) was incorporated on 22nd June, 1951 under the Companies Act, 1913 (“the Act”) domiciled in India and headquartered in Mumbai. Cravatex Limited is the Holding Company of two subsidiaries viz. BB (UK) London (BBUK) and Cravatex Brands Ltd Mumbai (CBL). The Company along with its subsidiaries is engaged in the business of Branded sports goods, wellness and fitness equipment with servicing.

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES:

a) Statement of Compliance:

These Ind AS financial statements of the Company have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (herein referred to as ‘Ind AS’) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, the relevant provisions of the Companies Act, 2013 (the Act) and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

The Financial Statements for the year ended 31 March 2018 are the Company’s first Ind AS financial statements. The Company’s comparative figures for the year ended March 31, 2017 are in compliance with Ind AS. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 41.

b) Basis of preparation and presentation :

Statement of compliance with Ind AS:

These financial statements are prepared on going concern basis in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value and the provisions of the Companies Act, 2013 (‘Act’). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March, 2018 together with the comparative period as at and for the year ended 31 March, 2017. In preparing these financial statements, the Company’s opening balance sheet was prepared as at 1 April, 2016 the Company’s date of transition to Ind AS.

Reconciliations and descriptions of the effect of the transition has been summarized in Note 42. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Historic cost convention:

The financial statements have been prepared on historic cost basis except for certain financial liabilities that are measured at fair value.

Functional and Presentation Currency:

The financial statements are presented in Indian Rupees (INR), which is the functional currency of the Company. All amounts have been rounded off to the nearest lacs. Amount below the rounded off norms have been reflected as “0” in the relevant notes.

Classification of Assets and Liabilities into Current/Non-Current:

The Company has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities.

For the purpose of Balance Sheet, an asset is classified as current if:

- i. It is expected to be realised, or is intended to be sold or consumed, in the normal operating cycle; or
- ii. It is held primarily for the purpose of trading; or
- iii. It is expected to realise the asset within twelve months after the reporting period; or
- iv. The asset is a cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

NOTES TO FINANCIAL STATEMENT

Similarly, a liability is classified as current if:

- i. It is expected to be settled in the normal operating cycle; or
- ii. It is held primarily for the purpose of trading; or
- iii. It is due to be settled within twelve months after the reporting period; or
- iv. The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could result in its settlement by the issue of equity instruments at the option of the counterparty does not affect this classification.

All other liabilities are classified as non-current.

c) Property, Plant and Equipment (PPE):

The initial cost of PPE comprises of its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning, less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to PPE are capitalised only when it is probable that future economic associated with these will flow to the Company and cost of the item can be measured reliably. Repairs and maintenance cost are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

Material items such as spare parts, stand-by equipment and service equipment are classified as PPE when they meet the definition of PPE as specified in Ind AS 16 - Property, Plant and Equipment.

Upon first time adoption of Ind AS, the Company has elected to measure all its PPE at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e. 01 April 2016.

d) Investment Property:

Investment properties are properties (land or a building-or part of a building-or both) held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost including purchase price, borrowing costs. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation and impairment, if any.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal.

Any gain or loss arising on derecognition of the property is included in the statement of profit and loss in the period in which the property is derecognised.

e) Depreciation:

The depreciable amount of an item of PPE is allocated on a systematic basis over its useful life. The Company provides depreciation on the straight line method over the useful lives as prescribed under Schedule II of the Act as per technical assessment. The Company believes that straight line method reflects the pattern in which the asset's future economic benefits are expected to be consumed by the Company. The residual values, useful lives and method of depreciation are reviewed at least at each financial year-end and adjusted prospectively, if appropriate.

Depreciation on additions/ (disposals) are provided on a pro-rata basis i.e. from/ (up to) the date on which the asset is ready to use/ (disposed off).

f) Intangible Assets and Amortization:

Intangible assets with finite useful life that are acquired separately are stated at acquisition cost less accumulated amortization and impairment losses, if any. The Company determines the useful life as the period over which the future economic benefits will flow to the Company after taking into account all relevant facts and circumstances. The estimated useful life and amortization method is reviewed periodically, with the effect of any changes in estimate being accounted for on a prospective basis.

NOTES TO FINANCIAL STATEMENT

g) Impairment of Non-Financial Assets:

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss.

The recoverable amount is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In respect of the assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, impairment loss is reversed to the extent the amount was previously charged to the statement of profit and loss. In case of revalued assets, such reversal is not recognised.

h) Inventories:

Inventories comprise of stock-in-trade which are carried at the lower of cost and net realisable value. Cost is determined on moving weighted average basis.

Cost of stock-in-trade comprises of all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make sale.

i) Borrowing Costs:

Borrowing costs are interest and other costs incurred by the Company in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of those property, plant and equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised. Other borrowing costs are recognised as an expense in the Statement of Profit and Loss of the period in which they are incurred.

j) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessment of time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognised.

k) Revenue Recognition:

Revenue is recognised on a fair value basis to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i. **Sale of Products:** Sales of goods are recognized when significant risks and rewards of ownership of the goods have passed to the buyer that coincides with delivery and are recorded net of rebates, trade discounts, returns and applicable taxes.

NOTES TO FINANCIAL STATEMENT

- ii. **Rendering of services:** Revenue from services is recognized on rendering of services
- iii. **Interest income:** is recognized on time proportion basis taking into account the amount outstanding and rate applicable.
- iv. **Rental Income:** Rental income is recognized on accrual basis.
- v. **Dividends:** Revenue is recognized when shareholders' right to received dividend is established.
- vi. **Revenue from contracts:** Revenue from maintenance contracts is recognized on a pro-rata basis over the period of the contract

l) Lease:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as Operating Leases.

Operating Lease:

Lease rentals are charged or recognised in the Statement of Profit and Loss on a straight-line basis over the lease term, except where the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

m) Employee Benefit Expense:

i) Short-term Employee Benefits:

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii) Post-employment benefits:

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident, in which both the employees and the Company make monthly contributions at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary). The contributions are made to the Regional Provident Fund Commissioner (RPFC) which are charged to the Statement of Profit and Loss as incurred.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in Other Comprehensive Income. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service. The Company has obtained insurance policies with the Life Insurance Corporation of India (LIC)

NOTES TO FINANCIAL STATEMENT

and makes an annual contribution to LIC for amounts notified by LIC. The Company accounts for gratuity benefits payable in future based on an independent external actuarial valuation carried out at the end of the year using the projected unit credit method. Actuarial gains and losses are recognised as Other Comprehensive Income.

iii) Other Long-term employee benefits - Compensated Absences:

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The Company makes provision for compensated absences based on an independent actuarial valuation carried out at the end of the year. Actuarial gains and losses are recognised in the Statement of Profit and Loss.

n) Income Taxes:

Income tax comprises of current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in Equity or in Other Comprehensive Income.

Current tax

Current tax comprises expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax is not recognised for:

- i. temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- ii. taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets - unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

o) Foreign Currency Transactions:

Foreign currency transactions are recorded at exchange rate prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the Balance sheet date. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognised in the statement of profit and loss. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined.

Non-Monetary items that are measured in terms of historical cost in a foreign currency are translated using exchange rate as at the date of initial transactions.

NOTES TO FINANCIAL STATEMENT

p) Earnings Per Share:

The Company calculates earnings per share amounts for profit or loss attributable to ordinary equity shareholders.

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q) Financial Instruments:

i) Recognition and Initial Measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at Fair Value through Profit and Loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii) Classification and Subsequent Measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair Value through Other Comprehensive Income (FVOCI) - debt investment;
- Fair Value through Other Comprehensive Income - equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI - equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

NOTES TO FINANCIAL STATEMENT

Financial assets: subsequent measurement and gains and losses -

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Debt investments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Standalone Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in Statement of Profit and Loss.

iii) Derecognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership but does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Company also derecognises a financial liability when its terms are modified and the cash flow under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Equity Instrument

Equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities and includes no obligation to deliver cash or other financial assets.

NOTES TO FINANCIAL STATEMENT

Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

r) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

s) Segment Reporting - Identification of Segments:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's management to make decisions for which discrete financial information is available.

Based on the management approach as defined in Ind AS 108, the management evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

High Court, Mumbai. The Company however deposited the demanded amounts in full with the tax authorities.
- 3 For the assessment years 2000-2001, 2002-2003 and 2003-2004 the Income-tax Appellate Tribunal had given relief of Rs.8,74,254 which had been accounted for in an earlier year. The tax authorities had subsequently filed an appeal with the Hon. High Court, Mumbai against the relief of Rs.8,74,254. The matter was set aside by Hon. High Court, in an earlier year and the matter was restored to the Tribunal for disposal. The matter is still pending with the tax authorities.
- 4 The tax authorities had raised a demand for the assessment year 2013-14 u/s 143 (3) for Rs.16,43,120. The company has disputed this demand and has filed an appeal with the Commissioner (Appeals) of Income- tax Mumbai against this demand.
- 5 The tax authorities had raised a demand of Rs.25,163/- for the assessment year 2011-12 as per order u/s 201(1)/(1A) dtd.29.03.2018 on account of short deduction of TDS & interest thereon. The company has disputed this demand and has filed an appeal with the Commissioner (Appeals) of Income- tax Mumbai against this demand.
- 6 Demand of Rs.13,50,000 raised in an earlier year by the customs authorities for goods imported had been disputed by the Company against which the full amount had been deposited under protest. The matter is still pending with the Customs authorities.
- 7 Bond for Rs.1.20 crore executed with the Customs authorities for demand raised by the authorities in an earlier year which had been disputed and challenged by the Company. This Bond is to remain in force till finalisation of the value by the Customs authorities of the goods imported by the Company.
- 8 Demand of Rs.43,06,399 (PY 38,31,386) was raised in an earlier year by the New Maker Chambers IV Premises Co-operative Society Ltd, Mumbai for the difference in BMC tax from 01.04.2000 to 31.03.2015, and the company has paid Rs.17,35,297 so far to the Society under protest. However net liability of the Company against this demand is Rs.25,71,102.

NOTE 33 — OTHER COMMITMENTS

An amount of Rs.40,00,000 was due from a third party in terms of Settlement Agreement with this party as a Consultant. During the year an amount of Rs.5,00,000 has been recovered under the said Settlement Agreement with the party. In spite of all assurances given to the company by this party for clearing the balance debt of RS.35,00,000, the party has not yet paid any amount. A legal case is being filed against the party for recovery of balance debt.

NOTE 35 — EMPLOYEE BENEFITS

a. Defined Benefit Plans:

Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company for payment of gratuity.

Inherent Risk on above:

The plan is defined in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

Weighted Average duration of Defined benefit obligation

* The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

Basis used to determine Expected Rate of Return on Plan Assets: The overall expected rate of return on assets is based on the expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

Salary Escalation Rate: The past experience and industry practice considering promotion and demand and supply of employees.

Asset Liability matching strategy: The money contributed by the Company to the Gratuity fund to finance the liabilities of the plan has to be invested.

NOTES TO FINANCIAL STATEMENT

NOTES — Contd.

The trustees of the plan have outsourced the investment management of the fund to an insurance Company. The insurance Company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset liability matching strategy.

There is no compulsion on the part of the Company to fully prefund the liability of the Plan. The Company's philosophy is to fund these benefits based on its own liquidity and the level of underfunding of the plan.

NOTES TO FINANCIAL STATEMENT

NOTES — Contd.

NOTE 38 — FAIR VALUE MEASUREMENT

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company has established the following fair value hierarchy that categorizes the values into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1: This hierarchy uses quoted (unadjusted) prices in active markets for identical assets or liabilities. The company does not have any such asset or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on company specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

The management assessed that cash and bank balances, trade payables, and other financial asset and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

NOTE 39 — FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise of Borrowings. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets include Investments, Loans and Other receivables, Cash and Cash Equivalents, Other Bank Balances that directly derive from its operations.

NOTE 41 — FIRST TIME ADOPTION OF IND AS (IND AS 101)

As stated in Note 2, these financial statements for the year ended 31 March 2018, are the first financials which Company has prepared in accordance with Ind AS. For periods 1st April 2016 to 31 March 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (IGAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. This note explains the principal adjustments made by the Company in restating its IGAAP financial statements as at 1st April 2016 and for the year ended March 31, 2017 and how the transition from IGAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

A. Exemptions Availed:

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has availed the following exemptions:

a. Optional Exemptions availed**i) Deemed cost for PPE and Intangible Assets:**

As permitted by Ind AS 101, the Company has elected to continue with the carrying values under previous GAAP for all the items of property, plant and equipment. The same election has been made in respect of intangible assets.

ii) Investment in Subsidiary, Joint ventures and Associates:

The Company has elected to adopt the carrying value under previous GAAP as on the date of transition i.e. April 1, 2016 in its separate financial statements.

iii) Fair Value of Financial Assets and Liabilities:

As per Ind AS exemption the Company has not fair valued the financial assets and liabilities retrospectively and has measured the same prospectively.

b. Mandatory Exemptions availed**i) Estimates**

Ind AS estimates as at 1st April, 2016 are consistent with the estimates as at the same date made in conformity with the previous GAAP. The Company made estimates for the following items in accordance with the Ind AS at date of transition as these were not required under previous GAAP:

- Fair valuation of financial Instruments carried at FVTPL and/or FVOCI
- Determination of the discounted value for financial instruments carried at amorised cost

NOTES TO FINANCIAL STATEMENT

NOTES — Contd.

ii) De-recognition of financial assets and liabilities

Ind AS 101 requires a first time adopter to apply the de-recognition provision of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind As. Accordingly, the Company has elected to apply the de-recognition provision of Ind AS 109 prospectively from the date of transition to Ind AS.

iii) Classification and measurement of financial assets

The Company has determined the classification of financial assets based on facts and circumstances that exists on the date of transition. Measurement of the financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable.

B) Reconciliations between Previous GAAP and Ind AS:

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for the period. The following tables represent the reconciliations between previous GAAP and Ind AS:

1) Reconciliation of Equity as on 31st March, 2017 and 1st April 2016:

Particulars	As at 31st March 2017 Rs. in Lacs	As at 1st April 2016 Rs. in Lacs

Profit after tax as per Ind AS	(315.18)
Other Comprehensive Income/(Loss) (refer note iv)	(16.40)
Total Comprehensive Income/(loss) as per Ind AS	(331.58)

Notes:

- i. Under Previous GAAP, transaction cost related to borrowings were charged to Profit & Loss Account as and when incurred. Under Ind AS, these cost are recognised in the profit or loss over the tenure of the borrowing as part of the interest expense by applying effective interest rate method.
- ii. Under the previous GAAP, interest free lease deposits were recorded at their transaction value. On transition to Ind AS, these lease deposits are remeasured at amortised cost using the effective interest rate method. The difference between the transaction value of the deposit and amortised cost is regarded as deferred lease rent and recognised as expense uniformly over the lease period. Interest income, measured by the effective interest rate method is accrued. The effect of these is reflected in total equity and / or profit or loss, as applicable.

NOTES TO FINANCIAL STATEMENT

NOTES — Contd.

- iii. Deferred Tax has been recognised on adjustments made on transition to Ind AS.
- iv. Under Ind AS, remeasurement i.e. actuarial gain and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year.

NOTE 42 — RECENT STANDARDS

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind AS which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2018:

NOTES TO FINANCIAL STATEMENT

NOTES — Contd.

Ind AS 115 Revenue from Contracts with Customers (“Standard”)

Ind AS 115 establishes a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers.

Ind AS 115 will supersede the current revenue recognition standard Ind AS 18 Revenue, Ind AS 11 Construction Contracts when it becomes effective from 1 April 2018.

The core principle of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when ‘control’ of the goods or services underlying the particular performance obligation is transferred to the customer.

The Company is evaluating the impact of this Standard on its financial statements.

CONSOLIDATED AUDITORS' REPORT

AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To the Members of Cravatex Limited

Report on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying Consolidated Ind AS financial statements of **Cravatex Limited** ("the Holding Company") and its subsidiaries (collectively referred to as "the Company" or "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2018, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated Ind AS Financial Statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the relevant rules issued thereunder. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of the Consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Ind AS financial statements.

Opinion

CONSOLIDATED AUDITORS' REPORT

Annexure “A” to the Independent Auditor’s Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2018, we have audited the internal financial controls over financial reporting of **Cravatex Limited** (“the Holding Company”) and its subsidiary company which is a company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company, which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards of Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CONSOLIDATED AUDITORS' REPORT**Opinion**

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor, as referred to in the Other Matters paragraph, the Holding Company and its subsidiary which is incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to consolidated/standalone financial statements of its subsidiary which is a company incorporated in India, is based on the corresponding reports of the auditor of such company.

NOTE 1 — COMPANY OVERVIEW

Cravatex Limited (“the Company”) incorporated on 22nd June, 1951 under the Companies Act, 1913 (“the Act”) is a public limited BSE listed Company, incorporated and domiciled in India. The Company is a subsidiary of holding company, R.B. Fitness and Trading Private Limited incorporated and domiciled in India. Cravatex Limited is the Holding Company of two subsidiaries viz. BB (UK) London (BBUK) and Cravatex Brands Ltd Mumbai (CBL). The Company along with its subsidiaries is engaged in the business of Branded sports goods, wellness and fitness equipment with servicing.

NOTE 2(A) — SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value amount:

- I. Certain financial assets and liabilities (including derivative instruments),
- II. Defined benefit plan's - plan assets and
- III. Equity settled share based payments

The consolidated financial statements of the Group have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Up to the year ended March 31, 2017, the Group has prepared its consolidated financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as “Previous GAAP”.

These consolidated financial statements are the Group's first Ind AS consolidated financial statements. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III. The Company's consolidated financial statements are presented in Indian Rupees.

NOTE 2(B): PRINCIPLES OF CONSOLIDATION

The consolidated financial statements relate to Cravatex Limited ('the Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- I. The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items
- II. Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.
- III. In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Foreign Currency Translation Reserve.
- IV. Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- V. The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.
- VI. Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- VII. Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.

NOTE 2(C): OTHER SIGNIFICANT ACCOUNTING POLICIES

These are set out under “Significant Accounting Policies” as given in the Company's standalone financial statements.

Description of nature and purpose of each reserve

Capital Reserve

Capital reserve represents amount received from Government of Karnataka.

Foreign Currency translation reserve

For the purpose of consolidation of subsidiaries with the financial statement of the holding company, income and expenses are translated at average rates and the assets and liabilities are stated at closing rate. Use of such different rates for translation gives rise to exchange difference which is accumulated in Foreign Currency Translation Reserve. The movement in this reserve is due to fluctuation in exchange rates of currencies.

General Reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. There is no policy of regular transfer.

Export Profit Reserve

Export profit reserve represents the amount earned from export sales and is to be utilised for the purpose of exports.

Retained Earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.

NOTE 39 — EMPLOYEE BENEFITS

a. Defined Benefit Plans:

Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company for payment of gratuity.

Inherent Risk on above:

The plan is defined in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

* The Sensitivity Analysis have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

Basis used to determine Expected Rate of Return on Plan Assets: The overall expected rate of return on assets is based on the expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

Salary Escalation Rate: The past experience and industry practice considering promotion and demand and supply of employees.

Asset Liability matching strategy: The money contributed by the Company to the Gratuity fund to finance the liabilities of the plan has to be invested.

The trustees of the plan have outsourced the investment management of the fund to an insurance Company. The insurance Company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset liability matching strategy.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT

NOTES — Contd.

There is no compulsion on the part of the Company to fully prefund the liability of the Plan. The Company's philosophy is to fund these benefits based on its own liquidity and the level of underfunding of the plan.

This Note of defined benefit plan includes disclosures of liabilities pertaining to Holding Company & its Indian Subsidiary

NOTE 42 — FAIR VALUE MEASUREMENT

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company has established the following fair value hierarchy that categorizes the values into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1: This hierarchy uses quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on company specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT

NOTES — Contd.

The management has assessed that cash and bank balances, trade payables, and other financial asset and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The following methods and assumptions were used to estimate the fair values:

The fair values of the quoted units of mutual fund schemes are based on net asset value at the reporting date.

The fair value of Optionally Convertible Debentures (OCD) and Compulsory Convertible Preference Shares (CCPS) is determined using Black and Scholes Option Pricing Method.

The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates and interest rate curve of the respective currencies.

The significant unobservable inputs used in the fair value measurement of the fair value hierarchy together with a quantitative sensitivity analysis as at 31 March 2018 and 31 March 2017 are as shown below:

Description of significant unobservable inputs to valuation:

Particulars	Valuation Technique	Significant unobservable inputs
Optionally Convertible Debentures (OCD)	Option Pricing Method	Equity value of the Company
Compulsory Convertible Preference Shares (CCPS)	Option Pricing Method	Equity value of the Company

Sensitivity analysis:

CCPS

If the unobservable input i.e. equity value of the Company were 5% higher/lower and Volatility for the Company were 5% lower/higher while all the other variables were held constant, the fair value of the CCPS would increase/decrease by Rs. 360 lacs / Rs. 350 lacs.

OCDs

If the unobservable input i.e. equity value of the Company were 5% higher/lower and Volatility for the Company were 5% lower/higher while all the other variables were held constant, the fair value of the OCD's would increase/decrease by Rs. 120 lacs / Rs. 110 lacs.

NOTE 43: FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise of trade payables, borrowings and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets include Investments, Loans, Trade receivables and Other receivables, Cash and Cash Equivalents, Other Bank Balances that directly derive from its operations.

The Company's activities are exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

A) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument.

The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and borrowings.

a) Foreign Currency Risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the import of raw materials and exports of finished goods.

When a derivative is entered into for the purpose of being a hedge, the Company negotiates the terms of those derivatives to match the terms of the hedged exposure.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT

NOTES — Contd.

The Company evaluates exchange rate exposure arising from foreign currency transactions. The Company follows established risk management policies and standard operating procedures. It uses derivative instruments like forwards contracts to hedge exposure to foreign currency risk.

NOTE 47 — FIRST TIME ADOPTION OF IND AS (IND AS 101)

As stated in Note 1, these financial statements, for the year ended 31 March 2018, are the first the Company has prepared in accordance with Ind AS. For periods 1st April 2016 to 31 March 2017, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (IGAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. This note explains the principal adjustments made by the Company in restating its IGAAP financial statements as at and for the year ended March 31, 2017 and how the transition from IGAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT

NOTES — Contd.

A. Exemption Availed:

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has availed the following exemptions:

a. Optional Exemptions availed

i) Deemed cost for PPE and Intangible Assets:

As permitted by Ind As 101, the Company has elected to continue with the carrying values under previous GAAP for all the items of property, plant and equipment. The same election has been made in respect of intangible assets.

ii) Investment in Subsidiary, Joint ventures and Associates:

The Company has elected to adopt the carrying value under previous GAAP as on the date of transition i.e. April 1, 2016 in its separate financial statements

iii) Fair Value of Financials Assets and Liabilities:

As per Ind AS exemption the Company has not fair valued the financial assets and liabilities retrospectively and has measured the same prospectively.

b. Mandatory Exemptions availed

i) Estimates

Ind AS estimates as at 1st April, 2016 are consistent with the estimates as at the same date made in conformity with the previous GAAP. The Company made estimates for the following items in accordance with the Ind AS at date of transition as these were not required under previous GAAP:

- Fair valuation of financial Instruments carried at FVTPL and/or FVOCI
- Determination of the discounted value for financial instruments carried at amortised cost

ii) De-recognition of financial assets and liabilities

Ind AS 101 requires a first time adopter to apply the de-recognition provision of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind As. Accordingly, the Company has elected to apply the de-recognition provision of Ind AS 109 prospectively from the date of transition to Ind AS.

iii) Classification and measurement of financial assets

The Company has determined the classification of financial assets based on facts and circumstances that exists on the date of transition. Measurement of the financial assets accounted at amortised cost has been done retrospectively except where the same is impracticable.

Deferred tax impact on above (refer note iii)	(4.09)	(1.32)
Total Equity as per Ind AS	2,186.77	3,592.09

ii) Reconciliation of Total Comprehensive Income for the year ended 31st March, 2017:

Particulars	As at 31st March 2017 Rs. in Lacs
Net Profit after tax as per Previous GAAP	(1,366.86)
Impact of accounting of Financial Instruments (refer note i)	(31.16)
Fair valuation of security deposits (refer note ii)	(2.19)
Deferred tax impact on above (refer note iii)	(2.77)
Remeasurements of the defined benefit plans (refer note iv)	16.40
Profit after tax as per Ind AS	(1,386.58)
Other Comprehensive Income/(Loss) (refer note iv)	(16.40)
Total Comprehensive Income/(loss) as per Ind AS	(1,402.98)

Notes to the Reconciliation of equity as at 31st March 2017 and Total Comprehensive Income for the year ended 31st March 2017:

- i. Under Previous GAAP, transaction cost related to borrowings were charged to Profit & Loss Account as and when incurred. Under Ind AS, these cost are recognised in the profit or loss over the tenure of the borrowing as part of the interest expense by applying effective interest rate method.
- ii. Under the previous GAAP, interest free lease deposits were recorded at their transaction value. On transition to Ind AS, these lease deposits are remeasured at amortised cost using the effective interest rate method. The difference between the transaction value of the deposit and amortised cost is regarded as prepaid rent and recognised as expenses uniformly over the lease period. Interest income, measured by the effective interest rate method is accrued. The effect of these is reflected in total equity and / or profit or loss, as applicable.
- iii. Deferred Tax has been recognised on adjustments made on transition to Ind AS.
- iv. Under Ind AS, remeasurement i.e. actuarial gain and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT
NOTES — Contd.
iii) Reconciliation of Statement of Cash flow for the year ended 31st March 2017

There are no material adjustments to the statement of cash flows as reported under the Previous GAAP

NOTE 50 — RECENT STANDARDS

Ministry of Corporate Affairs (“MCA”) through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind AS which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2018:

Ind AS 21 – The effect of changes in Foreign Exchange rates

The amendment clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. The Company is evaluating the impact of this amendment on its financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT

NOTES — Contd.

Ind AS 115 Revenue from Contracts with Customers (“Standard”)

Ind AS 115 establishes a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers. Ind AS 115 will supersede the current revenue recognition standard Ind AS 18 Revenue, Ind AS 11 Construction Contracts when it becomes effective from 1 April 2018.

The core principle of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Specifically, the standard introduces a 5-step approach to revenue recognition:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when ‘control’ of the goods or services underlying the particular performance obligation is transferred to the customer.

The Company is evaluating the impact of this Standard on its financial statements.

NOTE 51 — CORPORATE SOCIAL RESPONSIBILITY

The provisions of Section 135 of the Companies Act, 2013 are not applicable to the Company as it does not fall under the class of Companies specified under the section.

NOTE 52 — PREVIOUS YEAR’S COMPARABLES

Previous year’s figures have been regrouped/reclassified wherever necessary, to confirm with current years classification/ disclosure.
