NOTICE OF ANNUAL GENERAL MEETING

NOTES

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated May 5, 2020 read with circulars dated April 8, 2020, April 13, 2020, June 15, 2020, September 28, 2020 and January 13, 2021 ("MCA Circulars") and SEBI vide its circulars dated May 12, 2020 and January 15, 2021 ("SEBI Circulars") permitted the holding of the Annual General Meeting ("AGM") through Video Conferencing (VC) / Other Audio Visual Means (OAVM), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM.

National Securities Depositories Limited ('NSDL') will be providing facility for voting through remote e-voting, for participation in the AGM through VC / OAVM facility.
2. Since this AGM is being held pursuant to the MCA and SEBI Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. A statement giving the details of the Director seeking re-appointment under Item No. 4 of the accompanying Notice, as required under Regulation 26(4), Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other requisite information as per Clause 1.2.5 of Secretarial Standard-2 on General Meetings, are provided in annexure attached herewith.
4. SEBI Vide Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, any request for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from April 1, 2019 unless the securities are held in the dematerialized form with the depositories. Therefore, members are requested to take action to dematerialize their Equity Shares in the Company, promptly, if the Equity Shares are held in physical form.
5. The Register of Members and Share Transfer Books of the Company will remain closed from Saturday, August 21, 2021 to Friday, August 27, 2021 (both days inclusive) for the purpose of determining Members eligible for dividend on Equity Shares, if approved by the Members.
6. The dividend on Equity Shares, if declared at the Annual General Meeting, will be paid on or after August 27, 2021 to Members whose names appear on the record of Depositories [National Securities Depository Limited and Central Depository Services (India) Limited] on August 20, 2021 (for shares held in demat mode) and in the Register of Members of the Company (for shares held in physical mode) updated as on August 20, 2021. The dividend will be paid to the Members within the stipulated time.
7. Members are requested to immediately notify any change in their name, registered address, email id, telephone/mobile numbers, permanent account number (PAN), nominations, power of attorney, bank mandate viz. name and address of the branch of the bank, MICR code of the branch, account number with blank cancelled cheque to their Depository Participant (DP) quoting their Client IDs in case of shares held in demat form and to the Registrars and Share Transfer Agents of the Company quoting their Folio Number in case of shares held in physical form.
8. Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company at least 7 days before the Annual General Meeting through email on investors@cravatex.com. The same will be replied by the Company suitably.
9. Unclaimed dividends for the financial year ended March 31, 2014 shall be transferred to the Investor Education and Protection Fund (IEPF) of the Central Government in terms of the provisions of Section 124 of the Companies Act 2013. Those members who have so far not encashed the dividend(s) from the financial year ended March 31, 2014 till the financial year ended March 31, 2020 are requested to approach the Registrars and Share Transfer Agents of the Company for payment. The Company has not declared any dividend for the financial year ended March 31, 2016 and March 31, 2017.

In terms of the IEPF (Uploading of information regarding unpaid and unclaimed amounts lying with companies) Rules, 2012, the Company has uploaded the information in respect of the unclaimed dividends as on the date of the 68th Annual General Meeting (AGM) held on August 13, 2020, on the website of the IEPF viz. www.iepf.gov.in and also under the "Investors Section" on the website of the Company viz. www.cravatex.com.
10. Members holding shares in physical form may nominate a person in respect of all the shares held by them whether singly or jointly. Members who hold shares singly are advised to avail of nomination facility in their own interest. Members holding shares in demat form may contact their respective Depository Participants for recording of nomination.
11. In compliance with the aforesaid MCA and SEBI Circulars. Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Depository Participant

NOTICE OF ANNUAL GENERAL MEETING

(DP)/Registrar & Share Transfer Agents. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website www.cravatex.com, websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and on the website of NSDL <https://www.evoting.nsdl.com>. Members who have not registered their email address so far are requested to register their e-mail address with the Depository Participant (DP)/Registrar & Share Transfer Agents of the Company for receiving all communications from the Company electronically. In case you have not registered your email id with the Company / Depository Participant please access the link https://linkintime.co.in/EmailReg/Email_Register.html to temporarily register your email id for obtaining Annual Report 2020-21 and e-voting login details therein.

12. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
13. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of Members w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to Members at the prescribed rates. For the prescribed rates for various categories, the Members are requested to refer to the Finance Act, 2020 and amendments thereof. The Members are requested to update their PAN with the Registrar and Share Transfer Agents (in case of shares held in physical mode) and with Depository Participant (in case of shares held in demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by August 20, 2021 by accessing the link <https://linkintime.co.in/formsreg/submission-of-form-15g-15h.html>. Members are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.

Non-resident Members can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by August 20, 2021 by accessing the link <https://linkintime.co.in/formsreg/submission-of-form-15g-15h.html>.

14. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Members (Members holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
15. Since the AGM will be held through VC / OAVM, the Route Map is not being annexed to this Notice.
16. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020, May 05, 2020, June 15, 2020, September 28, 2020 and January 13, 2021 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as e-voting on the date of the AGM will be provided by NSDL.
17. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
18. The remote e-voting period commences on Tuesday, August 24, 2021 (9:00 a.m. IST) and ends on Thursday, August 26, 2021 (5:00 p.m. IST). During this period, Members holding shares either in physical form or in dematerialized form, as on Friday, August 20, 2021 i.e. cut-off date, may cast their vote electronically.

The e-voting module shall be disabled by NSDL for voting after the above stated ending time on that date. Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.

Members will be provided with a facility to attend the AGM through VC / OAVM through the NSDL e-voting system. Members may access the same at <https://www.evoting.nsdl.com> under Members login by using the remote e-voting credentials. The link for VC / OAVM will be available in Members login where the EVEN of Company will be displayed. Please note that the Members who do not have the User ID and Password for e-voting or have forgotten the User ID and Password may retrieve the same by following the remote e-voting instructions mentioned in the notice. Further Members can also use the OTP based login for logging into the e-voting system of NSDL.

19. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date i.e. Friday, August 20, 2021.
20. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the

- Mr. Rohan Batra (DIN : 02574195) was appointed as a Director, liable to retire by rotation, with effect from April 1, 2020.
- Mr. Rohan Batra (DIN : 02574195) is retiring by rotation and, being eligible, offers himself for re-appointment.

Dr. S.D. Israni, Mr. N. Santhanam and Mrs. Pheroza Jimmy Bilimoria, Independent Directors, have registered themselves for inclusion of their name in the Independent Directors Data Bank of The Indian Institute of Corporate Affairs. In the opinion of the Board the said Independent Directors have the integrity, expertise and experience for their re-appointment as Independent Directors in the Company.

There are no appointment/cessation of the Key Managerial Persons (KMP) during the financial year ended March 31, 2021.

DECLARATION BY INDEPENDENT DIRECTORS

All Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149 (6) of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

AUDIT COMMITTEE

The details pertaining to the composition of audit committee are included in the Corporate Governance Report, which forms part of this report.

SUBSIDIARY

During the year under Report, No Company have become or ceased to be any Subsidiaries, Joint Ventures or Associate Companies. However, the Company have the following Subsidiaries:

(I) CRAVATEX BRANDS LTD (CBL)

Cravatex Brands Limited is a material Subsidiary of the Company. CBL's revenue is contributed by Sports Goods consisting of apparel, footwear, accessories etc. and Fitness Equipment business mainly consisting of Gym equipment. The consumer demand for sports goods was severely affected due to lock down. Retail outlets remained shut for most part of the year. Online revenue was badly hit by low demand and also restrictions on delivery of non-essential goods. Gym equipment business was adversely impacted by slump in real estate market and closure of Gyms across the country due to Covid-19 restrictions. The overall economic activity was muted for this sector during FY 2020-21 as a result of which the CBL's revenue for FY 2020-21 recorded almost half of the previous year revenue.

The ongoing process of merger of Proline India Limited (PIL) with CBL was finally concluded with effect from FY 2020-21. The apparel business of PIL fared reasonably well in the lockdown situation during the year though on lower operations and margins compared to the previous year.

The post-merger operating income of CBL for FY 2020-21 was Rs.13,018 lacs vis a vis Rs.23,839 lacs in the previous year. PIL business contributed operating revenue of Rs.5,627 lacs during the year. Major source of revenue was from online sales which was also impacted due to muted demand and restrictions on movement and door delivery. CBL posted loss before finance cost, depreciation and tax of Rs.2,136 lacs as against the profit of Rs.372 lacs for the previous year. Despite strict control/reduction

REPORT OF THE BOARD OF DIRECTORS

in costs across expenses heads, CBL posted a net loss before tax of Rs.4,975 lacs due to steep fall in revenues as against the net loss of Rs.2,144 lacs for previous year.

The management and the promoters are working hard taking every possible steps including the infusion of funds, to support CBL for survival in the current unprecedented difficult situation. With continuing of Covid-19 pandemic related setbacks and curbs across the country, the industry faces enormous challenges in the immediate future.

(II) BB (UK) Limited (BBUK)

BB(UK) Limited, incorporated in United Kingdom, is a 100% subsidiary of the Company. The principal activity of BBUK is designing, sourcing, manufacturing, e-commerce and wholesale of Branded goods especially "Fila" and "Sergio Tacchini" sportswear, casual wear and life style products such as footwear and accessories.

Severe disturbance was caused during the year due to the continuing Covid-19 pandemic with consequential impact on sales and supply chain. Order book was under severe pressure vis a vis the previous year. However, the margins in percentage terms recorded improvement over previous year due to a strict control over other expenses. Total revenue during the FY 2020-21 in INR terms was Rs.39,927.61 lacs vis a vis Rs.62,383.63 lacs in the previous year. Profit before tax was Rs.1,921.64 lacs vis a vis Rs.1,912.99 lacs in the previous year indicating an improvement in percentage terms over the previous year.

The management team is working very hard for restoring the normal operations during the current continuing pandemic period. With continued restricted business operations in FY 2021-22, there is a continued effort to improve the performance.

Implementation of Brexit in UK was expected to cause consequences for business entities in UK. Hence with a view to avoiding the potential outcome, our subsidiary BB(UK) has formed a 100% subsidiary in Eschweiler, Germany viz. "BB Europe GmbH" on 23rd December 2020, to deal with the consequences of Brexit and to be able to trade seamlessly with its European clients. The nature of business will be same as the holding company BB UK, and the business will be operational in the FY 2021-22.

The salient features of the financial statement of the subsidiary is set out in the prescribed Form AOC-1 as Annexure V, which forms part of the board report.

The financial statement of the subsidiaries for the financial year ended March 31, 2021 will be kept open for inspection for the Members at the website of the Company at <http://cravatex.com/investor-relations/subsidiary-information> upto and including the date of the Annual General Meeting.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(a) Industry Structure and Development

Major area of operations of the company and its subsidiaries fall under discretionary consumer segment. During the year, overall the discretionary consumer segment was severely impacted due to Covid-19 pandemic induced lockdown implemented by the Government across the country. Although the company's income from lease was not affected, revenue from trading was marginally impacted due to lockdown restricted activity.

The lockdown and restrictions severely affected consumer demand within this industry in particular. The Consumer Brands business in subsidiaries slowed down during the year. Closure of malls, retail stores and the restricted online sales during most part of the year severely impacted the subsidiaries. Activity in domestic subsidiary was affected the most. The overall muted demand situation in the previous year continued with much more severity during the year. Marginal recovery during Q3 was inadequate to offset the overall loss of revenue during the year. As a result the revenue and the profitability during the year declined compared to the previous year.

Overseas subsidiary BBUK delivered a reasonable performance despite the disturbance caused during the year due to the continuing pandemic and the consequential sales and supply chain impacts. Apparel business of Proline brand which was in the process of merger with the company fared reasonably well during the lockdown year with lower operations and margins on account of lockdown situation.

(b) Opportunity and Threats

With exit of marginal players in the apparel and footwear segment, stronger players are expected to gain and grab the market after the easing of lockdown. With the addition of the Proline brand to the stable of brands, the domestic subsidiary has the opportunity to operate across all price points in the consumer market. Survival during the pandemic phase and ability to meet the working capital requirement are crucial. Threat of Covid-19 pandemic has already become a reality. With slow down of economic activity and delayed vaccination across the country, revival of the business activity is uncertain in the immediate future.

(c) Performance and outlook:

The Annual report covers the company's performance for the year. Although the long term outlook is expected to be positive, the short term outlook is challenging and uncertain unless the pandemic is contained soon.

(d) Risks and concerns

The company has adequate process for mitigation of various known risks. However, the prevailing Covid-19 pandemic situation continues to be the risk which has led to the business uncertainty.

(e) Internal control system and their adequacy

The company has adequate and appropriate procedures, internal controls and monitoring system for safety and security of its business and assets. Adhering to the structured SOPs is accorded high importance. The Internal Audit is carried out by external firm of Chartered Accountants who evaluates the functioning and quality of internal controls. Improvement advises if any are implemented from time to time.

(f) Discussion on financial performance with respect to operational performance

The company's income from lease rentals was broadly unchanged vis-a-vis the previous year. However, the trading income was marginally impacted due to the lock down situation. Since the lockdown situation prevailed during most part of the year, real time operations were affected although the employees were following work from home. Detailed financials of the company are reported in the annual report and the financial performance of subsidiaries is discussed elsewhere in the report.

(g) Material developments in Human Resources/Industrial Relations front, including number of people employed

There is no material development impacting the company in Human Resources/Industrial Relations front. The overall industrial relations had been satisfactory. The company has 6 of employees on its rolls as at 31st March 2021.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios and change in return on net worth along with detailed explanations therefor is as follows :

Ratio Analysis	2020-21	2019-20
1 Debtors Turnover Ratio (times)	15.10	3.85
2 Inventory T/O Ratio (Day's COGS)*	2.07	2.00
3 Interest Coverage Ratio	836.99	28.04
4 Debt to Equity Ratio	—	0.003
5 Operating Profit Margin	4.78%	4.53%
6 Net Profit Margin	46.76%	24.35%
7 Return on net Worth	14.95%	7.02%

* inventory turnover for previous financial year 2019-20 has been restated.

Reasons for change in ratios as on 31st March, 2021 vis a vis the previous year are as follows :

1. Debtors turnover ratio has improved as on 31st March, 2021 due to lower outstanding debtors mainly due to subdued activity in the second half of the year.
2. The Company is debt free and hence the debt to equity ratio for 2020-21 is nil.
3. The net profit margin and return on new worth have improved on account of higher dividend income received from overseas subsidiary.

Independent Directors' Meeting:

As a part of healthy Corporate Governance, as mandated under Schedule IV of the Companies Act 2013 and the Rules thereunder the independent directors met on February 11, 2021 without the presence of Managing Director, Non-Independent Directors and Management Team. The meeting was attended by all Independent Directors and was convened to enable independent directors to discuss matters pertaining to the Company's affairs and put forth their combined views to the Board of Directors of the Company. At the meeting, they

- (i) reviewed the performance of non-independent directors and the Board as a whole;
- (ii) reviewed the performance of the Chairperson of the Company, taking into account the views of other directors;
- (iii) assessed the quality, quantity and timeliness of flow of information between the Company Management and the Board and its committees that is necessary for the Board to effectively and reasonably perform their duties

The independent directors present in the meeting held an unanimous opinion that the Non-Independent Directors, including the Managing Director bring to the Board, abundant knowledge in their respective fields and are experts in their areas. Besides, they are insightful, convincing, astute, with a keen sense of observation, mature and have a deep knowledge of the Company. The Board as a whole is an integrated, balanced and cohesive unit where diverse views are expressed and dialogued when required, with each Director bringing professional domain knowledge to the table. All Directors are participative, interactive and communicative. The Chairperson has abundant knowledge, experience, skills and understanding of the Board's functioning, possesses a mind for detail, is meticulous to the core and conducts the Meetings with poise and maturity.

The information flow between the Company's Management and the Board is complete, timely with good quality and sufficient quantity.

REPORT ON CORPORATE GOVERNANCE

CERTIFICATE ON CORPORATE GOVERNANCE TO THE MEMBERS OF CRAVATEX LIMITED

I have examined the compliance of the conditions of Corporate Governance by **Cravatex Limited** ('the Company') for the financial year ended on 31st March, 2021, as stipulated under Regulation 17 to Regulation 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and Para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") as amended from time to time.

The compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to a review of procedures and implementation thereof, as adopted by the Company for ensuring compliance to the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me and the representations made by the Directors and the management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated under Regulation 17 to Regulation 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and Para C, D and E of Schedule V of the SEBI Listing Regulations.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

AUDITORS' REPORT

INDEPENDENT AUDITOR'S REPORT

To the Members of Cravatex Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Cravatex Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income/expense, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	Accuracy of writing-off of Fixed asset As at March 31, 2021, some of the fixed assets were written off.	Principal Audit Procedures We have evaluated the written off fixed assets on the basis of Managements evaluation of its usefulness and formed an opinion on accuracy of entries passed in the books of accounts.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

AUDITORS' REPORT

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

AUDITORS' REPORT

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

AUDITORS' REPORT

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of CRAVATEX LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of CRAVATEX LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

AUDITORS' REPORT

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

AUDITORS' REPORT

Annexure "B" to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Cravatex Limited of even date)

- (i) In respect of Company's Fixed Assets:
 - (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - (b) According to the information and explanations given to us, the assets have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) According to the information and explanations given to us, the title deeds of immovable properties are held in the name of the company.
- (ii) As explained to us, the inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable and the discrepancies noticed on verification between the physical stock and the inventory records have been appropriately accounted for in the books of account of the company.
- (iii) The Company has not granted any loans secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Companies Act, 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) The Company has not accepted any deposits from the public and therefore the provisions of the Clause 3(v) of the Order are not applicable to the Company.
- (vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) the Company has generally been regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, Goods and Service Tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were in arrears as on 31st March, 2021 for a period of more than six months from the date they became payable.
 - (b) According to the records of the Company, there are no dues of income-tax or sales tax or service tax or duty of customs or duty of excise or value added tax or cess which have not been deposited on account of any dispute.
- (viii) As per information and explanations given by the management, the Company has not defaulted in repayment of loans or borrowing from banks.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments). The term loans taken during the year were applied for the purpose for which they were raised.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the records maintained by the Company and as per information and explanations given to us the managerial remuneration has been paid in accordance with the requisite approvals as required under section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, reporting under Clause 3(xii) of the Order is not applicable to the Company.

AUDITORS' REPORT

- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- (xv) As per information and explanations given to us the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) As explained to us, the Company is not required to be registered under section 45-1A of the Reserve Bank of India Act, 1934 as this is not applicable to the Company.

NOTES TO FINANCIAL STATEMENT

NOTE 1 — CORPORATE INFORMATION

Cravatex Limited ("the Company") was incorporated on 22nd June, 1951 under the Companies Act, 1913 ("the Act") domiciled in India and headquartered in Mumbai. Cravatex Limited is the Holding Company of two subsidiaries viz. BB (UK) London (BBUK) and Cravatex Brands Ltd Mumbai (CBL). The Company along with its subsidiaries is engaged in the business of Branded sports goods, wellness and fitness equipment with servicing.

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES:

a) Statement of Compliance:

These Ind AS financial statements of the Company have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (herein referred to as 'Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, the relevant provisions of the Companies Act, 2013 (the Act) and guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

b) Basis of preparation and presentation:

Statement of compliance with Ind AS:

These financial statements are prepared on going concern basis in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value and the provisions of the Companies Act, 2013 ('Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Historic cost convention:

The financial statements have been prepared on historic cost basis except for certain financial liabilities that are measured at fair value.

Functional and Presentation Currency:

The financial statements are presented in Indian Rupees (INR), which is the functional currency of the Company. All amounts have been rounded off to the nearest lacs. Amount below the rounded off norms have been reflected as "0" in the relevant notes.

Classification of Assets and Liabilities into Current/Non-Current:

The Company has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities.

For the purpose of Balance Sheet, an asset is classified as current if:

- i. It is expected to be realised, or is intended to be sold or consumed, in the normal operating cycle; or
- ii. It is held primarily for the purpose of trading; or
- iii. It is expected to realise the asset within twelve months after the reporting period; or
- iv. The asset is a cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Similarly, a liability is classified as current if:

- i. It is expected to be settled in the normal operating cycle; or
- ii. It is held primarily for the purpose of trading; or
- iii. It is due to be settled within twelve months after the reporting period; or
- iv. The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could result in its settlement by the issue of equity instruments at the option of the counterparty does not affect this classification.

All other liabilities are classified as non-current.

NOTES TO FINANCIAL STATEMENT

c) Property, Plant and Equipment (PPE):

The initial cost of PPE comprises of its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning, less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to PPE are capitalised only when it is probable that future economic associated with these will flow to the Company and cost of the item can be measured reliably. Repairs and maintenance cost are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

Material items such as spare parts, stand-by equipment and service equipment are classified as PPE when they meet the definition of PPE as specified in Ind AS 16 - Property, Plant and Equipment.

d) Investment Property:

Investment properties are properties (land or a building-or part of a building-or both) held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost including purchase price, borrowing costs. Subsequent to initial recognition, investment properties are measured at cost less accumulated depreciation and impairment, if any.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal.

Any gain or loss arising on derecognition of the property is included in the statement of profit and loss in the period in which the property is derecognised.

e) Depreciation:

The depreciable amount of an item of PPE is allocated on a systematic basis over its useful life. The Company provides depreciation on the straight line method over the useful lives as prescribed under Schedule II of the Act as per technical assessment. The Company believes that straight line method reflects the pattern in which the asset's future economic benefits are expected to be consumed by the Company. The residual values, useful lives and method of depreciation are reviewed at least at each financial year-end and adjusted prospectively, if appropriate.

Depreciation on additions/ (disposals) are provided on a pro-rata basis i.e. from/ (up to) the date on which the asset is ready to use/ (disposed off).

f) Intangible Assets and Amortization:

Intangible assets with finite useful life that are acquired separately are stated at acquisition cost less accumulated amortization and impairment losses, if any. The Company determines the useful life as the period over which the future economic benefits will flow to the Company after taking into account all relevant facts and circumstances. The estimated useful life and amortization method is reviewed periodically, with the effect of any changes in estimate being accounted for on a prospective basis.

g) Impairment of Non-Financial Assets:

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss.

The recoverable amount is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In respect of the assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, impairment loss is reversed to the extent the amount was previously charged to the statement of profit and loss. In case of revalued assets, such reversal is not recognised.

NOTES TO FINANCIAL STATEMENT

h) Inventories:

Inventories comprise of stock-in-trade which are carried at the lower of cost and net realisable value. Cost is determined on moving weighted average basis.

Cost of stock-in-trade comprises of all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs necessary to make sale.

i) Borrowing Costs:

Borrowing costs are interest and other costs incurred by the Company in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of those property, plant and equipment which necessarily take a substantial period of time to get ready for their intended use are capitalised. Other borrowing costs are recognised as an expense in the Statement of Profit and Loss of the period in which they are incurred.

j) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessment of time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognised.

k) Revenue Recognition:

Effective April 1, 2018, the Company has applied Ind AS 115: Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

- a. Revenue from sale of goods is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is allocated.
- b. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, allowances and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for discounts, probable saleable and non-saleable return of goods from the customers. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.
- c. Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.
- d. Interest income is recognised using the effective interest rate (EIR) method.

l) Lease:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as Operating Leases.

NOTES TO FINANCIAL STATEMENT

Operating Lease:

Lease rentals are charged or recognised in the Statement of Profit and Loss on a straight-line basis over the lease term, except where the payments are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increase.

m) Employee Benefit Expense:

i) Short-term Employee Benefits:

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii) Post-employment benefits:

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident, in which both the employees and the Company make monthly contributions at a specified percentage of the employees' eligible salary (currently 12% of employees' eligible salary). The contributions are made to the Regional Provident Fund Commissioner (RPFC) which are charged to the Statement of Profit and Loss as incurred.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in Other Comprehensive Income. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

Gratuity

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service. The Company has obtained insurance policies with the Life Insurance Corporation of India (LIC) and makes an annual contribution to LIC for amounts notified by LIC. The Company accounts for gratuity benefits payable in future based on an independent external actuarial valuation carried out at the end of the year using the projected unit credit method. Actuarial gains and losses are recognised as Other Comprehensive Income.

iii) Other Long-term employee benefits - Compensated Absences:

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment / availment. The Company makes provision for compensated absences based on an independent actuarial valuation carried out at the end of the year. Actuarial gains and losses are recognised in the Statement of Profit and Loss.

n) Income Taxes:

Income tax comprises of current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination or to an item recognised directly in Equity or in Other Comprehensive Income.

NOTES TO FINANCIAL STATEMENT

Current tax

Current tax comprises expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax is not recognised for:

- i. temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- ii. taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets - unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

o) Foreign Currency Transactions:

Foreign currency transactions are recorded at exchange rate prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the Balance sheet date. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognised in the statement of profit and loss. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined.

Non-Monetary items that are measured in terms of historical cost in a foreign currency are translated using exchange rate as at the date of initial transactions.

p) Earnings Per Share:

The Company calculates earnings per share amounts for profit or loss attributable to ordinary equity shareholders.

The basic Earnings Per Share ("EPS") is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q) Financial Instruments:

i) Recognition and Initial Measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

NOTES TO FINANCIAL STATEMENT

A financial asset or financial liability is initially measured at fair value plus, for an item not at Fair Value through Profit and Loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii) Classification and Subsequent Measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- Fair Value through Other Comprehensive Income (FVOCI) - debt investment;
- Fair Value through Other Comprehensive Income - equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI - equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: subsequent measurement and gains and losses -

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.
Debt investments at FVOCI	These assets are subsequently measured at fair value. Interest income under the effective interest method, foreign exchange gains and losses and impairment are recognised in profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to profit or loss.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

NOTES TO FINANCIAL STATEMENT

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Standalone Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in Statement of Profit and Loss.

iii) De-recognition

Financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership but does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Company also derecognises a financial liability when its terms are modified and the cash flow under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

iv) Off setting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Equity Instrument

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The Company regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for asset or liability that are not based on observable market data (unobservable inputs).

NOTES TO FINANCIAL STATEMENT

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

r) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

s) Segment Reporting - Identification of Segments:

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's management to make decisions for which discrete financial information is available.

Based on the management approach as defined in Ind AS 108, the management evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

Notes:

1. Demands for Wealth Tax for the assessment years 1997-98 & 1998-99 amounting to Rs.51,25,378 was raised by the Tax authorities in earlier years which had been disputed by the Company and appeals filed with the Hon. High Court, Mumbai. The Company however deposited the demanded amounts in full with the tax authorities.
2. For the assessment years 2000-2001, 2002-2003 and 2003-2004 the Income-tax Appellate Tribunal had given relief of Rs.8,74,254 which had been accounted for in an earlier year. The tax authorities had subsequently filed an appeal with the Hon. High Court, Mumbai against the relief of Rs.8,74,254. The matter was set aside by Hon. High Court, in an earlier year and the matter was restored to the Tribunal for disposal. The matter is still pending with the tax authorities.
3. The tax authorities had raised a demand for the assessment year 2013-14 u/s 143 (3) for Rs.16,43,120. The company has disputed this demand and has filed an appeal with the Commissioner (Appeals) of Income- tax Mumbai against this demand.
4. The tax authorities had raised a demand of Rs.25,163/- for the assessment year 2011-12 as per order u/s 201(1)/(1A) dtd. 29.03.2018 on account of short deduction of TDS & interest thereon. The company had disputed this demand and had filed an appeal with the Commissioner (Appeals) of Income- tax Mumbai against this demand. A favorable order has been received against this and the demand stands deleted.
5. VAT assessment order of Karnatak state for FY 2015-16 was passed raising demand totalling to Rs.15,35,487/- (Tax-Rs.7,59,150/-, Interest-Rs.7,00,422/-, Penalty Rs.75,915/-).The Company has filed an appeal against this order and paid full amount of Rs.15,35,487/-
6. CST assessment order of Delhi location of the company for FY 2016-17 was passed raising demand totalling to Rs.1,87,36,493/- (Tax-Rs.1,13,64,635/-, Interest-Rs.73,71,858/-).The Company has filed an appeal against this order.
7. Demand of Rs.13,50,000 raised in an earlier year by the customs authorities for goods imported had been disputed by the Company against which the full amount had been deposited under protest. The matter is still pending with the Customs authorities.
8. Bond for Rs.1.20 crore executed with the Customs authorities for demand raised by the authorities in an earlier year which had been disputed and challenged by the Company. This Bond is to remain in force till finalisation of the value by the Customs authorities of the goods imported by the Company.
9. The Hon'ble Supreme Court of India ("SC") by their order dated February 28, 2019, in the case of Surya Roshni Limited & others v/sEPFO, set out the principles based on which allowances paid to the employees should be identified for inclusion in basic wages for the purposes of computation of Provident Fund contribution. Subsequently, a review petition against this decision has been filed and is pending before the SC for disposal.

In view of the management, the liability for the period from date of the SC order to 31 March 2019 is not significant. Further, pending decision on the subject review petition and directions from the EPFO, the impact for the past period, if any, is not ascertainable and consequently no effect has been given in the accounts.

B. Guarantees/Commitments

1. Guarantees given by the Company in respect of loans obtained by its subsidiary company "Cravatex Brands Limited" and outstanding as on March 31, 2021 - Rs. 6500 Lakhs. The said guarantee has been given by way of creating a mortgage charge on the investment properties held by the company.

(D) Impact of IND AS adjustments on Tax computation:

- Section 5 of the Income Tax Act states that profits are chargeable only when they accrue, arise or are received. Based on this provision of the Income Tax Act, it is a settled proposition that tax can be levied on real income and not any hypothetical or illusionary income – **Shoorji vallabhdas & Co – (1962) 46 ITR 144 (SC) and Godhra Electricity Co. Ltd. - (1997) 225 ITR 746 (SC)**. These principles have been reiterated in ICDS-IV for revenue recognition under the Income Tax Act.
- The Supreme Court in **Indorama Synthetics India Ltd. – 330 ITR 263** held that the objective of the provisions of Minimum Alternate Tax (MAT) is to bring out real profits of the company, wherein, the thrust was to find out real working results of the company. Based on this decision, several ITATs have held that what is not income which is chargeable to tax also cannot be included for the purposes of book profit or computing of book profit u/s.115JB.
- Under IND-AS accounting framework, there are certain mandatory adjustments to incomes and expenditures, which are only conceptual and do not reflect real income/expenditure as per prevailing provisions of the Income Tax Act.

NOTE 36 — EMPLOYEE BENEFITS
a. Defined Benefit Plans:
Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company for payment of gratuity.

Inherent Risk on above:

The plan is defined in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

* The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

NOTES TO FINANCIAL STATEMENT

NOTES — Contd.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

Basis used to determine Expected Rate of Return on Plan Assets: The overall expected rate of return on assets is based on the expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

Salary Escalation Rate: The past experience and industry practice considering promotion and demand and supply of employees.

Asset Liability matching strategy: The money contributed by the Company to the Gratuity fund to finance the liabilities of the plan has to be invested.

The trustees of the plan have outsourced the investment management of the fund to an insurance Company. The insurance Company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset liability matching strategy.

There is no compulsion on the part of the Company to fully prefund the liability of the Plan. The Company's philosophy is to fund these benefits based on its own liquidity and the level of underfunding of the plan.

b. Defined Contribution Plans:

Amount recognized as an expense and included in Note 30 under the head "Contribution to Provident and other Funds" of Statement of Profit and Loss is:

NOTES TO FINANCIAL STATEMENT

NOTES — Contd.

Carrying amount of Investment, Trade Receivables, Cash and Cash Equivalent, Bank balances, Other financial Assets, Trade payables and Other financial liabilities as at 31st March, 2021, and 31st March, 2020 approximate the Fair Value because of their short term nature. Difference between carrying amount and fair values of bank deposits, other financial assets, other financial liabilities and borrowings subsequently measured at amortised cost is not significant each of year presented.

NOTE 39 — FAIR VALUE MEASUREMENT

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company has established the following fair value hierarchy that categorizes the values into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1: This hierarchy uses quoted (unadjusted) prices in active markets for identical assets or liabilities. The Company has recognised short term investment in mutual funds under this category amounting to Rs. 722.51 lakhs.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on company specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

The management assessed that cash and bank balances, trade payables, and other financial asset and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

NOTE 40 — FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial liabilities comprise of Borrowings. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets include Investments, Loans and Other receivables, Cash and Cash Equivalents, Other Bank Balances that directly derive from its operations.

The Company is exposed to Market Risk, Credit Risk and Liquidity Risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

(A) Market Risk:

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument.

The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and borrowings.

(1) Foreign Currency Risk:

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates.

(2) Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short term borrowing with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

(B) Credit Risk:

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating (primarily Trade Receivables), investing and financing activities including Bank Balance, Deposits with Bank, Security Deposits, Loans to Employees and other financial instruments.

Trade Receivables :

Trade receivables are consisting of a large number of customers. The Company has credit evaluation policy for each customer and based on the evaluation credit limit of each customer is defined.

Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. The company allows credit period ranging from 30 days to 180 days, subject to reasonableness of the receivable. There is no concentration of customers and receivable amount.

Investments, Cash and Cash Equivalent and Bank Deposit:

Credit Risk on cash and cash equivalent is generally low, as the said deposits have been made with the banks/financial institutions who have been assigned high credit rating by international and domestic rating agencies.

Investments of surplus funds are made only based on Investment Policy of the Company. Investments consists of Investments in Subsidiaries & Investment in Short Term liquid Mutual Funds.

C) Liquidity Risk:

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.

NOTE 43 — RECENT ACCOUNTING PRONOUNCEMENTS

New and amended standards adopted by the Company: In the current year, the Company has applied the below amendments to Ind AS 116 that are effective for an annual period that begins on or after 1 April 2020:

The Company has adopted the amendments to Ind AS 116 for the first time in the current year. The amendments provide practical relief to lessees in accounting for rent concessions occurring as a direct consequence of COVID-19, by introducing a practical expedient to Ind AS 116. The practical expedient permits a lessee to elect not to assess whether a COVID-19-related rent concession is a lease modification. A lessee that makes this election shall account for any change in lease payments resulting from the COVID-19-related rent concession the same way it would account for the change applying Ind AS 116 if the change were not a lease modification. The practical expedient applies only to rent concessions occurring as a direct consequence of COVID-19 and only if all of the following conditions are met:

- The change in lease payments results in revised consideration for the lease that is substantially the same as, or less than, the consideration for the lease immediately preceding the change;

NOTES TO FINANCIAL STATEMENT

NOTES — Contd.

- Any reduction in lease payments affects only payments originally due on or before 30 June 2021 (a rent concession meets this condition if it results in reduced lease payments on or before 30 June 2021 and increased lease payments that extend beyond 30 June 2021); and
- There is no substantive change to other terms and conditions of the lease. The Company has applied the practical expedient retrospectively to all eligible rent concessions and has not restated prior period figures.

There is no impact of these amendments on the Company as the Company did not have any leased assets.

New Standards or other amendments issued but not yet effective: Ministry of Corporate Affairs (“MCA”) regularly notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2021.

CONSOLIDATED AUDITORS' REPORT

INDEPENDENT AUDITOR'S REPORT

To the Members of Cravatex Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Cravatex Limited ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income/Expense), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Accuracy of writing-off of Fixed asset</p> <p>As at March 31, 2021, some of the fixed assets were written off.</p>	<p>Principal Audit Procedures</p> <p>We have evaluated the written off fixed assets on the basis of Managements evaluation of its usefulness & formed an opinion on accuracy of entries passed in the books of accounts.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

CONSOLIDATED AUDITORS' REPORT

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

CONSOLIDATED AUDITORS' REPORT

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

CONSOLIDATED AUDITORS' REPORT

Annexure "A" to the Independent Auditor's Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2021, we have audited the internal financial controls over financial reporting of **Cravatex Limited** ("the Holding Company") and its subsidiary company which is a company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company, which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards of Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CONSOLIDATED AUDITORS' REPORT**Opinion**

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor, as referred to in the Other Matters paragraph, the Holding Company and its subsidiary which is incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to consolidated/standalone financial statements of its subsidiary which is a company incorporated in India, is based on the corresponding reports of the auditor of such company.

Description of nature and purpose of each reserve**Capital Reserve**

Capital reserve represents amount received from Government of Karnataka.

Securities Premium

The amount received in excess of face value of the equity and compulsory convertible preference shares is recognised in Securities Premium.

Capital Redemption Reserve

Capital Redemption Reserve has been created out of free reserves of the Company on account of redemption of preference shares.

Foreign Currency Translation Reserve

For the purpose of consolidation of subsidiaries with the financial statement of the holding company, income and expenses are translated at average rates and the assets and liabilities are stated at closing rate. Use of such different rates for translation gives rise to exchange difference which is accumulated in Foreign Currency Translation Reserve. The movement in this reserve is due to fluctuation in exchange rates of currencies.

General Reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. There is no policy of regular transfer.

Export Profit Reserve

Export profit reserve represents the amount earned from export sales and is to be utilised for the purpose of exports.

Retained Earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.

Notes:

- Demands for Wealth Tax for the assessment years 1997-98 & 1998-99 amounting to Rs.51,25,378 was raised by the Tax authorities in earlier years which had been disputed by the Company and appeals filed with the Hon. High Court, Mumbai. The Company however deposited the demanded amounts in full with the tax authorities.
- For the assessment years 2000-2001, 2002-2003 and 2003-2004 the Income-tax Appellate Tribunal had given relief of Rs.8,74,254 which had been accounted for in an earlier year. The tax authorities had subsequently filed an appeal with the Hon. High Court, Mumbai against the relief of Rs.8,74,254. The matter was set aside by Hon. High Court, in an earlier year and the matter was restored to the Tribunal for disposal. The matter is still pending with the tax authorities.
- The tax authorities had raised a demand for the assessment year 2013-14 u/s 143 (3) for Rs.16,43,120. The company has disputed this demand and has filed an appeal with the Commissioner (Appeals) of Income- tax Mumbai against this demand.
- The tax authorities had raised a demand of Rs.25,163/- for the assessment year 2011-12 as per order u/s 201(1)/(1A) dtd. 29.03.2018 on account of short deduction of TDS & interest thereon. The company had disputed this demand and had filed an appeal with the Commissioner (Appeals) of Income- tax Mumbai against this demand. A favorable order has been received against this and the demand stands deleted.
- VAT assessment order of Karnatak state for FY 2015-16 was passed raising demand totalling to Rs.15,35,487/- (Tax-Rs.7,59,150/-, Interest-Rs.7,00,422/-, Penalty Rs.75,915/-).The Company has filed an appeal against this order and paid full amount of Rs.15,35,487/-
- CST assessment order of Delhi location of the company for FY 2016-17 was passed raising demand totalling to Rs.1,87,36,493/- (Tax-Rs.1,13,64,635/-, Interest-Rs.73,71,858/-).The Company has filed an appeal against this order.
- Demand of Rs.13,50,000 raised in an earlier year by the customs authorities for goods imported had been disputed by the Company against which the full amount had been deposited under protest. The matter is still pending with the Customs authorities.
- Bond for Rs.1.20 crore executed with the Customs authorities for demand raised by the authorities in an earlier year which had been disputed and challenged by the Company. This Bond is to remain in force till finalisation of the value by the Customs authorities of the goods imported by the Company.
- The Hon'ble Supreme Court of India ("SC") by their order dated February 28, 2019, in the case of Surya Roshni Limited & others v/sEPFO, set out the principles based on which allowances paid to the employees should be identified for inclusion in basic wages for the purposes of computation of Provident Fund contribution. Subsequently, a review petition against this decision has been filed and is pending before the SC for disposal.
In view of the management, the liability for the period from date of the SC order to 31 March 2019 is not significant. Further, pending decision on the subject review petition and directions from the EPFO, the impact for the past period, if any, is not ascertainable and consequently no effect has been given in the accounts.

NOTE 38 — EMPLOYEE BENEFITS

a. Defined Benefit Plans:

Gratuity:

The gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Group and is in accordance with the rules of the Company for payment of gratuity.

Inherent Risk on above:

The plan is defined in nature which is sponsored by the Group and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Group to actuarial risk such as adverse salary growth, change in demographic experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to the employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risk.

* The Sensitivity Analysis have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT

NOTES — Contd.

Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet.

Basis used to determine Expected Rate of Return on Plan Assets: The overall expected rate of return on assets is based on the expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

Salary Escalation Rate: The past experience and industry practice considering promotion and demand and supply of employees.

Asset Liability matching strategy: The money contributed by the Group to the Gratuity fund to finance the liabilities of the plan has to be invested.

The trustees of the plan have outsourced the investment management of the fund to an insurance Company. The insurance Company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset liability matching strategy.

There is no compulsion on the part of the Group to fully prefund the liability of the Plan. The Group's philosophy is to fund these benefits based on its own liquidity and the level of underfunding of the plan.

This Note of defined benefit plan includes disclosures of liabilities pertaining to Holding Company & its Indian Subsidiary.

Carrying amount of Investment, Trade Receivables, Cash and Cash Equivalent, Bank balances, Other financial Assets, Trade payables and Other financial liabilities as at 31st March, 2021 & 31st March, 2020 approximate the Fair Value because of their short term nature. Difference between carrying amount and fair values of bank deposits, other financial assets, other financial liabilities and borrowings subsequently measured at amortised cost is not significant each of year presented.

NOTE 41 — FAIR VALUE MEASUREMENT

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Group has established the following fair value hierarchy that categorizes the values into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1: This hierarchy uses quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on Group specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Compulsory Convertible Preference Shares (CCPS) – Level 3	5,779.33	6,030.00
Total	8,007.90	7,940.00

The management has assessed that cash and bank balances, trade payables, and other financial asset and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The following methods and assumptions were used to estimate the fair values:

The fair values of the quoted units of mutual fund schemes are based on net asset value at the reporting date.

The fair value of Optionally Convertible Debentures (OCD) and Compulsory Convertible Preference Shares (CCPS) is determined using Black and Scholes Option Pricing Method.

The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates and interest rate curve of the respective currencies.

The significant unobservable inputs used in the fair value measurement of the fair value hierarchy together with a quantitative sensitivity analysis as at 31 March 2021 and 31 March 2020 are as shown below:

Description of significant unobservable inputs to valuation:

Particulars	Valuation Technique	Significant unobservable inputs
Optionally Convertible Debentures (OCD)	Option Pricing Method	Equity value of the Subsidiary
Compulsory Convertible Preference Shares (CCPS)	Option Pricing Method	Equity value of the Subsidiary

NOTE 42 — FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's principal financial liabilities comprise of trade payables, borrowings and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets include Investments, Loans, Trade receivables and Other receivables, Cash and Cash Equivalents, Other Bank Balances that directly derive from its operations.

The Group's activities are exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT

NOTES — Contd.

A) Market Risk:

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument.

The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and borrowings.

a) Foreign Currency Risk:

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Group exposure to the risk of changes in foreign exchange rates relates primarily to the import of fila and fitness and exports of FILA and fitness and exports of FILA.

When a derivative is entered into for the purpose of being a hedge, the Group negotiates the terms of those derivatives to match the terms of the hedged exposure.

The Group evaluates exchange rate exposure arising from foreign currency transactions. The Group follows established risk management policies and standard operating procedures. It uses derivative instruments like forwards contracts to hedge exposure to foreign currency risk.

b) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group exposure to the risk of changes in market interest rates relates primarily to the Group borrowing with floating interest rates. The Group constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

Particulars	As at 31st March 2021 Rs. in lacs	As at 31st March 2020 Rs. in lacs

Borrowings	70.49	77.42

Note: If the rate is decreased by 100 bps profit will increase by an equal amount.

B) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating (primarily Trade Receivables), investing and financing activities including Mutual Fund Investments, Investment in Debt Securities, Bank Balance, Deposits with Bank, Security Deposits, Loans to Employees and other financial instruments.

Trade Receivables:

Trade receivables are consisting of a large number of customers. The Group has credit evaluation policy for each customer and based on the evaluation credit limit of each customer is defined.

Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has always been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Group grants credit terms in the normal course of business. The Group allows credit period ranging from 60 days to 180 days, subject to reasonableness of the receivable. There is no concentration of customers and receivable amount.

Investments, Cash and Cash Equivalent and Bank Deposit:

Credit Risk on cash and cash equivalent, deposits with the banks/financial institutions is generally low as the said deposits have been made with the banks/financial institutions who have been assigned high credit rating by international and domestic rating agencies.

Investments of surplus funds are made only based on Investment Policy of the Group. Investments primarily include investment in units of mutual funds. These Mutual Funds and Counterparties have low credit risk.

C) Liquidity Risk:

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Group's treasury team is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's liquidity position through rolling forecasts on the basis of expected cash flows.

The table below provides details regarding the remaining contractual maturities of financial liabilities and investments at the reporting date based on contractual undiscounted payments.

NOTE 46 — RECENT STANDARDS

New and amended standards adopted by the Group: In the current year, the Group has applied the below amendments to Ind AS 116 that are effective for an annual period that begins on or after 1 April 2020:

The Group has adopted the amendments to Ind AS 116 for the first time in the current year. The amendments provide practical relief to lessees in accounting for rent concessions occurring as a direct consequence of COVID-19, by introducing a practical expedient to Ind AS 116. The practical expedient permits a lessee to elect not to assess whether a COVID-19-related rent concession is a lease modification. A lessee that makes this election shall account for any change in lease payments resulting from the COVID-19-related rent concession the same way it would account for the change applying Ind AS 116 if the change were not a lease modification. The practical expedient applies only to rent concessions occurring as a direct consequence of COVID-19 and only if all of the following conditions are met:

- The change in lease payments results in revised consideration for the lease that is substantially the same as, or less than, the consideration for the lease immediately preceding the change;
- Any reduction in lease payments affects only payments originally due on or before 30 June 2021 (a rent concession meets this condition if it results in reduced lease payments on or before 30 June 2021 and increased lease payments that extend beyond 30 June 2021); and
- There is no substantive change to other terms and conditions of the lease. The Group has applied the practical expedient retrospectively to all eligible rent concessions and has not restated prior period figures.

There is no impact of these amendments on the Group.

New Standards or other amendments issued but not yet effective: Ministry of Corporate Affairs ("MCA") regularly notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2021.

NOTE 48 — REVENUE FROM CONTRACT WITH CUSTOMER

A. Disaggregation of revenue

The management determines that the segment information reported under Note 47 "Segment reporting" is sufficient to meet the disclosure objective with respect to disaggregation of revenue under Ind AS 115 Revenue from contract with Customers. Hence, no separate disclosures of disaggregated revenues are reported. Following table provides a reconciliation of revenue reported under segment information and revenue recognised in Statement of Profit and Loss as revenue from contracts with customers:

Particulars	Rs. in Lacs			
	Sports	Wellness	Unallocable	Total
Segment revenue	50,790.41	2,166.55	230.71	53,187.67

NOTE 51 — CORPORATE SOCIAL RESPONSIBILITY

The provisions of Section 135 of the Companies Act, 2013 are not applicable to the Group as it does not fall under the class of Companies specified under the section.

NOTE 52 — PREVIOUS YEAR'S COMPARABLES

Previous year's figures have been regrouped/reclassified wherever necessary, to confirm with current years classification/disclosure.

NOTE 53 — IMPACT OF COVID-19

In February 2020, the World Health Organization (the "WHO") declared COVID-19 a Public Health Emergency of International Concern. The Group's operations were impacted from 17th March, 2020 till the first week of May 2020 as the COVID-19 pandemic had disrupted demand and supply chains across industries, impacting the business of companies. More recently, the second wave of the pandemic has impacted India more significantly than ever before and the Group is monitoring the situation closely taking into account the increasing level of infections in India and directives from the various state Governments. The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the financial results. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group has at the date of approval of these financial statements used internal and external sources of information. The Group has performed an analysis on the assumptions used and based on current estimates expects the carrying amount of its assets will be recovered. The Group has considered the impact to the extent known and available currently. Since the Group is engaged in trading of basic clothing and sportswear products, the demand for the same is expected to increase gradually with lockdown relaxations coming into effect. The Group looks forward to sizable increase in demand as the markets and offices are gradually operating and logistics get normalised.
